Tuesday, Dec. 8 @ 7pm, Dobie Theater, Austin

**RISE** is a collection of individual stories that together reflect the attraction that flyfishing has for all of us. Photographed in high definition 16mm cinematography, the action and sound jump off the screen to engage the audience in larger than life fly fishing adventures in Patagonia, Argentina, Idaho, New Orleans, Venezuela, the Florida Keys and Alaska. Bone fish, tarpon and trout are all highlighted. (**view trailer:** [www.confluencefilms.tv](http://www.confluencefilms.tv))

**From 5-7pm**, representatives from the Fly Fishing industry, local Fly Shops and area Fly Fishing clubs will be on hand in their booths, ready to chat about fishing, fly fishing products, and fly fishing events. Additionally, there will be **RAFFLE** and **SILENT AUCTION** items to view and bid on. The raffle drawing and auction announcements will occur just prior to the start of the film.

Dobie Theater (near UT campus) is located at 2025 Guadalupe on the second floor of the Dobie Mall. **Free parking** (with validation) is available in the Dobie Garage just east of the mall. Movie tickets are available online or at the Dobie box office. Seating is limited. Tickets cost \$15 adults, \$12 seniors and \$10 children.
